

## RELEASE NOTES - cmOffice

### INTRODUCTION

#### SCOPE

cmOffice v.2.54b build 4, cmServer 2.54

### FEATURES

#### NEW FEATURES

Module	Feature
Registrations	When selecting a reduction check box for a participant's fee in a registration, an additional 'profile' check will be executed if defined. These 'profile' conditions can be a check on participant's age, continent, country group, country or group of countries. These conditions are defined in the RG-Fees table in the Administrator.
